# Clean lines, Cool designs.

outdoor dining  
with a difference.

# Quirky is

a revolution in outdoor furniture

These fun and practical designs make a stylish statement in any outdoor area. Quirky furniture is made from durable, long-lasting materials and available in a selection of styles, sizes and finishes.

Table frames are made from stainless or mild steel. Bench seats are crafted with beautiful timbers from New Zealand and around the world, with table tops made from either the same timber or a contrasting polished concrete. Table centre-piece options can include an ice-bucket, platter tray and herb planter.

**Frame styles include; stainless, galvanised, rusted or a powder coated colour range - with a variety of finishes & wood treatments to suit your individual taste.**

Quirky ('kwɜ:kɪ) - *adjective* unusual, individual; often used to describe the unconventional. an unexpected twist or turn; a continuous groove in an architectural fashion.

## PYRAMID FIRE

The Pyramid Fire is the latest addition to the Quirky range. With its linear and timeless design, this modern understated focal piece will bring warmth to any outdoor gathering. Easy to manoeuvre to suit your setting and wind direction, the Pyramid Fire is fabricated from 4mm steel to weather all the elements.

**Contact us today for a list of unique pre-made pieces or drop in for a chat about designing your very own custom made piece.**
